Each member is entitled to play in NCCA-sponsored events and will receive the **Carolina Gambit**, published six times per year. **Games**, articles, tournament reports, and other materials for the **Gambit** are welcome and necessary! All **dues** and **questions concerning membership** shall be submitted to **Ken Baxter**. All tournament results, in the form of a **copy of the official USCF "printout,"** will be submitted to Robert Singletary for NC Grand Prix calculation and official record. All **other information** such as synopsis of event, section winners, interesting incidents, upsets, and **games** will be sent to Leland Fuerstman. The next issue will be published around April 15.

NORTH CAROLINA GRAND PRIX SYSTEM CHANGES

by Leland L. Fuerstman

New System Allows Equal Chance For All

As of September 7, 1984, players who compete in tournaments announced in the **Carolina Gambit** magazine will earn **ONE** Grand Prix point for each **WIN**, and **THREE** bonus points for being **CLEAR FIRST** in his section. Draws earn no points. For every additional **eight** players in a section, the clear winner will earn **THREE** bonus points. Players who tie for first will divide bonus points equally.

This new system will allow players in lower section to accumulate just as many points as those in the top sections. (The old system was based on cash won.) Now, players who compete more often around the state will be rewarded for their activity.

Tournament Directors will be required to send a copy of the official USCF "printout" of the results of their tournaments to the NCCA for the purpose of publishing a current leader list bi-monthly.

The winner of the Grand Prix will receive \$100, plus free entry in the 1985 North Carolina Championship. Since the origination of the Grand Prix system the Champions have been:

INTERNATIONAL NEWS:

Kasparov Cuts Lead Of Titlist (AP) 2-9-85

MOSCOW — Challenger Garry Kasparov scored his third victory in Saturday's 48th game of the World Chess Championship, cutting titlist Anatoly Karpov's lead to 5-3 in the match.

Karpov resigned after Kasparov played his 67th move with the white pieces in the game that began Friday and was adjourned after 40 moves.

Karpov has been winless for nearly three months, while Kasparov has scored the last three victories of the marathon match.

The next game in the contest that began Sept. 10, setting a record for length, is scheduled for Monday.

NORTH CAROLINA CHESS ASSOCIATION

MESSAGE FROM THE CHAIRMAN OF THE BOARD

by Leland L. Fuerstman

Greetings to all! By **all**, I mean the 325 current members of the NCCA, and some 600+ other North Carolina chess players who are present members of the USCF. Each of you is receiving this issue of the "Gambit." In it, you will find a complete list arranged according to rating, name, and NCCA expiration date, if any. This allows you the opportunity to verify your current NCCA address on the mailing label, and your NCCA expiration date. (Queries, revisions, & complaints concerning membership should be sent to NCCA Sec/Treas. Kenneth J. Baxter.) The list will also indicate where you stand in the entire state!

This publication provides not only rating lists, games, and tournament results, but also a forum for new ideas, future plans, and positive suggestions. It is therefore imperative that more members **submit contributions**. This is **your** publication, and the information contained within it is a result of **your** chess efforts. As president of this organization, it is my responsibility to see to it that the "Gambit" is published 6 times per year. Though it has never been my intention to become editor and publisher of this magazine, I have relieved Robert Singletary of the burden which he has borne, almost single-handedly for five years, until a permanent editor can be found. Any volunteers?

This year promises to be a great one for N.C. chess. There will be more tournaments than ever before around the state, with the activation of a few "veteran" directors, and some new ones trying their hand (and patience) at tournament promotion. I have sent a personal letter to each of the tournament directors in N.C. suggesting their renewed activity. I have re-designed the N.C. Grand Prix system to allow every player, regardless of rating, an equal chance at the title. (Complete information in this issue.)

With greater emphasis on scholastic chess in 1985, the NCSCA in conjunction with the NCCA, has scheduled three important events: The N.C. Elementary School Championship, the N.C. Middle School & High School Championships and the N.C. **Junior** Invitational. In addition, the CMSCA, Larry Goldberg, President, has won the bid for the 1985 National Elementary School Championship to be held in Charlotte on May 4-5. Plans are being finalized for the **U.S. Champion International Grandmaster Lev Alburt** to play two simultaneous exhibitions in Charlotte on that weekend; one for elementary school children, and the other for members of the Charlotte Chess Club. (Details in this issue.)

Last, but not least, the 33rd North Carolina Championship will be held in Charlotte this year, **at a hotel**, and if all goes well, will provide a \$5,000 Guaranteed prize fund!

Good luck to all in 1985!

Steele, Taylor, Fuerstman Are Masters

After many trying years of tournament competition for each, **David Steele** from Raleigh, **Leroy Taylor** from Carrboro, and **Leland Fuerstman** from Charlotte have officially achieved the title of **National Master**. The National Master title is coveted and sought by many, but earned by only a few. The talent and effort displayed by each has brought them into a select circle of chess players. Many say they are chess players — few can say they are chess masters.

May each wear the honor gracefully and serve as an example to promote good sportsmanship and fellowship during his chess career.

Congratulations, Masters!

He Was Wrong

In the last issue of the **Gambit**, it was stated by RMS that as a result of Randy Kolvick's winning the N.C. Invitational, he had achieved a rating of 2361, "the highest ever for a N.C. player."

However, after searching the master file, I find that the high rating of "2380" was achieved by ex-Davidson College player **Miles Ardaman** who attained the mark after scoring 3-0 in the Davidson Quad II held September 25, 1982. Incidentally, Ardaman defeated Kolvick in that tournament!

Lev Alburt Will Play Simos In Charlotte; Boards Available To NCCA Members For \$151

The Charlotte Chess Club, in co-operation with the Charlotte-Mecklenburg Scholastics Chess Association, Laurence Goldberg, Pres., is proud to announce that current United States Champion International Grandmaster **Lev Alburt** will conduct two simultaneous exhibitions in Charlotte this spring.

The first exhibition, scheduled for **Friday, May 4 at 7:00 p.m., at Central Piedmont Community College**, will consist of elementary school children from around the country who will already be in Charlotte on that weekend competing in the U.S. Elementary Scholastics Championship.

The second exhibition, scheduled for **Saturday, May 5 at 7:00 p.m., at the Radisson Plaza Hotel** (Charlotte's finest) will consist of players from the Charlotte Chess Club as well as other NCCA members from around the state. (A third simo on Sunday will be played, if necessary.)

Grandmaster Alburt, who defected from the Soviet Union in 1980, recently won the strongest tournament in the United States: the U.S. Championship. The clear first victory boosted his rating to the nation's high of 2646! More than just a player, he writes a syndicated column and has already received great regard as the finest "chess instructor" in the New York City area. Internationally, he has earned the reputation as a man who "says what he thinks." His sharp criticisms of the Soviet system have been heard by many around the world. As a chess-player, his results speak for themselves. This summer, he will compete in the inter-zonals in Biel, Switzerland, where he hopes to qualify as a candidate for the next World Championship cycle.

Guaranteed seats to play Grandmaster Alburt are still available by sending a check to: **CMSCA, 320 Seneca Pl., Charlotte, N.C. 28210.**

For only \$15, this is an opportunity to be involved in one of the most exciting events of your chess career. Take advantage of it!
