Book Review for MODERN CHESS OPENINGS-11th Edition

MCO, no matter what edition, has always been considered the Chess player's "BIBLE". The 11th is no exception. This revision of the 10th is not just improved, it is a classic in its own right. Many of the lines from the 10th that had mistakes have either been deleted altogether or corrected. Also new main lines have been added in many of the more popular openings, especially the flank openings (EDITOR-Reti would be proud). The new format is much more understandable and easier to read. Instead of having to continuously go back and forth to follow the notes, all notes are included on the same page as the major variations.

I feel that many variations that are deleted in the 11th, i. e. not carried over from the 10th, should have been. Of course there are still mistakes. (EDITOR-a corrigenda to the 11th may be found in the 1974 USCF Catalog, page 41, for is available free of charge upon request from:

Pitman Publishing Corp., 6 East 43rd St., New York City, New York, 10017) The idea of the 11th is not to be a complete opening manual, but rather it gives the Chessplayer the "feel" of what he plays. Therefore, the 11th is invaluable to the tournament Chessplayer. (EDITOR-suggest you get both the 10th and 11th to study.)

SMOKING?

EDITORIAL: by Dana Tabor

YES-NO

Re: Article 18, 1, c: It is forbidden to distract or annoy the opponent in any manner whatsoever.

The above is directly from FIDE Law and is the reason for the current trend in Chess Toursneys to prohibit smoking. The Continental Chess Association has banned it at their tourneys, and the NCCA has prohibited it at the Carolina's Open. USCF is considering such a ban. (EDITOR- this was overwhelmingly struck down at the Business Meeting of the 1973 US Open at Chicago.) I am a nonsmoker and smoking bothers me, but I am talking the cause of the smokers-why? because I would hate to see many of the area's players excluded from competition just because they smoke. Chess tourneys should be fun and a type of relaxation. I feel that if smokers would follow a few rules of courtesy to their opponents then their would be no problems. These rules are:

- 1) if your opponent minds you smoking-don't,
- 2) if a draft is in the room, try to sit downwind from your opponent if you are going to smoke, and
- 3) if possible smoke when walking around the room and not at the board. Editorials are accepted on a myriad of subjects-include your name and address it to Editor, Carolina Gambit. Responses to EDITORIALS are welcome also.

Your \$1.50 pays for postage, all postcards and the supplement costs. You get 110 rating updates - the 12th comes in the yearbook sent to everyone. 3 or more ratings sent to one address runs \$3.60 - \$1.20 ea → save 30¢ a piece.

## RATINGS? EDITORIAL: YES - NO

At the present time, USCF does publishing the ratings for NC players to see. One is to incorporate a list of the TOP 20 (or 50) but this excludes 75% of the readership. Then, we could just publish everybody's rating-however no schedule could be kept-with current ratings-to publish. Therefore we solicit your opinion on this. Take a postcard and write to us here and give us your ideas. If you care to, just mark on a postcard which of the following you prefer to see--only a number would be sufficient.

**1)** I prefer to the TOP 20 list.  
**2)** I prefer to the TOP 50 list.  
**3)** I prefer to the TOP 100 list.  
**4)** I prefer to see no ratings.  
**5)** I am interested in the proposal listed on page 4 at the bottom of the page. *And will send for it.*

6) I have no preference.

**7)** I have the following proposal: \_\_\_\_\_ In looking back at #5 above it just occurred to me that the following implementation would be very feasible. If everyone in North Carolina was to submit \$1.50 to KCGS-the company responsible to publish the GAMBIT-then we could put out a monthly rating supplement taken directly from the USCF Supplement. It would pay for 11 Supplements thusly:

4 quarto(24) stencils @ \$5.00

9 reams(500) paper @ 40.00

Postage @ 50.00

Total \$447.00

us here from you on this. Be sure to indicate clearly your preference to this subject. Hopefully we can work this out to everyone's pleasure. THIS TIME WE GO WITH THE TOP 200 with ratings current to the 11/73 rating supplement. (SEE PAGE 10)

NC TO WIN ➤ INTERVIEW: DAVID STERN

The GAMBET was given an exclusive interview with David Stern after his victory at the Veterans Day Open in Danville, Virginia. On winning the CLASS C TROPHY. DAVID SAID: [AND we quote] "It was easy." [NOTE: MR. STERN WAS THE ONLY CLASS C player present.]

MINUTES OF THE NCCA BUSINESS MEETING, 9/2/73, WINSTON SALEM, N.C.  
The meeting was called to order by President Grady Brown at 3:10 pm. He expressed his thanks to Bill Naff and Al Lipkin for their efforts in making the advance arrangements for the 1973 NC Closed Championships. Chuck Howard gave the treasurer's report stating that the Association had approximately \$850 in its checking and savings accounts, with no outstanding debts. Any money from new memberships or other profits from the NC Closed had not yet been added to this figure. A state-wide postal chess tournament was proposed, and Steven Buntin offered to coordinate this activity. (EDITOR: SEE PAGE\*\*) There was a discussion of the fact that the time control for the Closed had been changed by the TD who was in charge the first day. President Brown pointed out that the time control should not have been changed since it had been publicized in advance. However, it remained unchanged for the balance of this particular tournament.

There was discussion of extended membership rates at a discount. The following rates were voted in for NCCA membership: 2 years at \$5.50 a 50% savings, 3 years at \$8.00 a \$1 savings and Life Membership at \$60.00 or equal to 20-\$3.00 per year memberships, as analogous to USCF. The current practice of having FIRST TIME ONLY 6-MONTHS MEMBERSHIP for \$1 was discussed and was struck down as a non-money saver for the Association. The money spent to handle renewal procedures outweighs the savings to each member in that by member basis more money is spent in these renewal procedures than saved both by each member and Association.

The treasurer pointed out that the GAMBIT costs from \$80 to \$100 per issue primarily because of mail costs. (EDITOR: MAIL RUNS \$32 for 400 copies) President Brown explained that many efforts had been made to qualify our magazine for non-profit mailing, this at the special BULK RATE OF 1.7¢ per copy as opposed to 8¢ per copy now. Dale Tabor offered to contact NC Congressman Jim Martin and ask for proper procedures for getting the non-profit bulk rate in effect. Membership decided we should do what was necessary to get a lower postal rate.

There was discussion on the number of rounds to be held in future NC Championships, and it was the consensus that future such event would be of 6 rounds (2 each day). The Board of Directors was to decide at their November meeting the number of sections, however.

The LIMITED SMOKING RULE which was in effect at the 1973 NC Closed

was discussed. Half of the entrants signed an opposing position and the other half signed an affirmative petition before start of play. After H-E-A-T-E-D debate the question remained unsettled due to time. All Lipkin volunteered to operate a state-wide TOURNAMENT CLEARING HOUSE as described in his flyer:

"WHEN PLANNING A TOURNAMENT, BEFORE ANYTHING ELSE CALL DR. AL LIPKIN AND GET A DATE THAT DOESN'T CONFLICT WITH ANOTHER TOURNAMENT. SINCE THERE ARE A LARGE NUMBER OF CLUBS WISHING TO HAVE TOURNAMENTS, IT'S PROBABLY A GOOD IDEA TO LIMIT YOURSELF TO ONE TOURNAMENT EVERY SIX WEEKS OR SO. THIS IS ONLY FAIR TO OTHER C.T.D.S. CALL DIRECT (NOT COLLECT) BEFORE 10:00 PM. (THIS COSTS ABOUT 45¢)

Dr. Al Lipkin  
2635 Glonhaven Lane  
Waukesha, WI 53186-2211

There was some feeling that future business sessions of the Association should be conducted at a time more suitable than between Sunday rounds. It was suggested that future business meetings might be conducted on Sunday evening AFTER the second round of the day. This would normally be at 8 pm but the exact time would be announced at 5pm. President Brown expressed his desire to be relieved of his office at the 1974 business meeting when his present term expires. He appointed Edwin Hyde, Jim Watson, and Bill Tabor to serve as the Nominations Committee. They are requested to meet before the 1974 meeting and draw up a slate of proposed officers. Other nominations will be accepted from the floor. The other officers did not express whether or not they wish to continue past 1974.
