. *	- Out of state play	er. "	~ Dou	ble for	reit.			

This tournament, one of the largest in N. C. history, was strongly contested throughout. Play was at the Selwyn Hotel; the time limit was fifty moves in two hours. Thanks to the excellent local organization of A. H. Geade and to cards sent out by the North Carolina Chess Association, 52 chess players attended this tournament, including nine out of state contestants.

As the scoretable shows, the tournament was hard fought, first prize not being decided until the final round. Karl Burger, Columbia student from New York, lost to Kit Crittenden, your Editor, after their hard fought game was adjudicated in favor of the latter.
W. C. Adickes not only won 2nd prize but directed the tournament as well.
W. Chapman, a Duke student, shows constant improvement. He is one of the top players of the Durham Chess Club. Sponagle, the last of the quartet which tied for second, is the present city champion of quartet which tied for second, is the present city champion of

A word about the Swiss system, in which players of like scores are paired. This tournament showed that a 5 round Swiss is inadequate when as many as 32 are competing. This tournament can only determine the winner, the remaining places and prizes have to be left to the luck of the draw and the Sonnenborne-Burger tie breaking system. (defeated opponents total scores plus one-half drawn opponents scores are added.) Here, Sponagle met none of the opponents who were tied with him.

A difficult problem will arise when forty or more players show up

to play in a five-round Swiss.

```
Here is the score of the deciding game:

-Weak. This is good only if Black can force P-K4, but he finds this is "out" because of the would-be weakness of the after an exchange of Ps

c-Better P-QN3 and B-N2.

d-To N-N2, White could have played B-K3 and B-R6.

e-Time pressure; from here to move 50 both players must be quick.

f-RxN?; R QxQP:

g-The time rush is over. On move 47, R-K8 and on 48 R-K4 were better for White. Black's last move has made thewin difficult. The adjudicat-committee, after about an hour or more of analysis, awarded the game to White. The win might be: 52 P-B4, K-N5; 53 R-R1, R-K6!; 54 R-N1ch, KEP; 55 R-R1ch, K-Q3; 56 RxP, P-R4; 57 R-N7, R-K3; 58 K-Q3, K-B4; R-BVch, K-Q3; 60 R-QR7!; K-B4; 61 R-R5ch, K-N3 (K-Q3; KxP!); 62 R-Q5 and White wins because the Black King cannot get to the K-side pawns, since the monarch can't cross the path of the White Rook.

The judge, W. C. Adickes, Jr., had quite a difficult time in selecting the Best Played Game by a Non-Prizewinner. <u>Rudich-Weininger</u>, <u>Woods-Jackson</u>, <u>Harwell-Sponagle</u>, <u>Cromelin-Weininger</u>, <u>Ashbrock-Makens</u>, <u>Harwell-Puckett</u> and <u>Kahn-Weston</u> were among the runner-ups. The prize, a chass-set donated by the R.F.D. Distrubutors of New York, goes to Jackson:

THE TEAM TOURNAMENT AT GREENSBORO

Four teams, representing three cities, competed in this event, the first team tournament held in North Carolina. Charlotte's team was unfortunately unable to attend. The active Greensboro group, at the last minute, assembled a second team, which performed creditably throughout the event.

The tournament was directed by Dro Harwell. The time limit was 50 moves in 2 hours, fifteen minutes. The Durham team won a will-deserved victory, thus gaining official recognition as North Carolina's permier club and as one of the best in the South. Those from outside of Greensboro were impressed by the enthusiam of the local group; they are developing young players, such as Crowder, a 17 year-old, sax month performer.

Durham won the event 22-2, the winner being determined by matches as a whole. Raleigh, 2-1, Greensboro "a", 1-2, Breensboro "B", 0-3 followed

DON'T FORGET THE NORTH CAROLINA CHAMPIONSHIP AT SMITHFIELD. For details or entry, write L. H. Wallace, Smithfield, N.C. Open orly to N.C. residents, lests from June 22 - 24, will be a five-round Swiss System. Dr. Davidian as kindly agreed to hold the tournament in his cabin, and we can personally promise all the contestants a good time: This is our tournament!

A peculiar situation has arisen in relation to the annual Southern Championship. We have recieved two separate invitations, each concerning a different
city, each claiming to be the bena fide tournament. We shall report both.
One is to be in Tampa, Florida, July 1-4. The second, concerning more M.C.
chessplayers, is to be at Asheville, also the traditional July 1-4.
Registration will be at 10 a.m., Sunday, July1st, at the Langren in Asheville. Both tournaments will be 7 round Swiss. For details of the Asheville
affair, write to W.C. Adickess Jr., 66 Linden, Asheville, N.C. This
meeting will be open to Negro players, a feature lacked by the Tampa event.
We of this state should take pride in holding no less than four major
chess events in our state in one year:
